AVALON WATERWAYS NAMED #1 CRUISERS' CHOICE CRUISE LINE BY CRUISE CRITIC IN 16th ANNUAL AWARDS

DENVER, Colorado – December 9, 2024 – Cruise Critic, the world's leading cruise reviews site and online cruise community, has named the winners of its 16th annual awards, Cruise Critic's Best in Cruise Awards. This year's awards recognize the best cruise lines and destinations of the year, as selected by the site's esteemed team of cruise experts, as well as the most highly rated cruise lines of the year, based on reviews submitted to Cruise Critic by travelers themselves. For the first time, these awards are sitting side-by-side and this year, **Avalon Waterways is sitting on top!**

Announced today, **Avalon Waterways won:**

1) #1 TOP CRUISERS' CHOICE CRUISE LINE (River Category)

An award selected by travelers, based on their personal experiences cruising with Avalon Waterways.

2) BEST CABINS (River Category)

This "Best Cabins" award was chosen by Cruise Critic editors who had this to say about their pick, "Avalon Waterways' cabins feel like home away from home, emphasizing comfort and incredible views. Panorama Suites, Avalon's crown jewel cabin type, offer queen-sized beds that face the floor-to-ceiling, wall-to-wall sliding glass doors and open-air balconies. Space is never sacrificed, even in the Deluxe Staterooms, the smallest rooms. Small touches in every cabin abound as well, like adjustable in-cabin tables, plenty of USB ports, large bathrooms and four firmness options in all mattresses."

"To say we're honored is an understatement!" said Pam Hoffee, president of Avalon Waterways. "We're the alternative to the traditional river cruise experience and it's thrilling that cruisers are taking notice and rewarding our efforts to sail away from the ordinary with top ratings. It is equally exciting to be honored again by Cruise Critic editors for our stateroom design, featuring the best views in cruising, the industry's only Open-Air Balconies and beds that face the ever-changing views. This recognition means the world."
