AVALON WATERWAYS CHARTER & INCENTIVE RIVER CRUISES

Avalon Waterways has been showing groups the world since 2004. From large sales organisations, to franchise groups, to meetings, events, affinity groups, and even friends and family, clients choose Avalon for the unmatched charter experience we deliver guests, and the intimate experience our ships deliver. Our dedicated charter team provides unparalleled support and assistance throughout the entire process, from planning your cruise to ensuring the entire experience is a success beyond your expectations. You'll have an array of materials to promote your charter to your group to build excitement.

Our industry exclusive Suite Ship® fleet provides your entire group the opportunity for the same large suite style cabin accommodations. All charter and incentive river cruise itineraries and onshore excursions are fully customisable, so you can create the most unique and personalised trip for your group.

Navigating elegance and ease, our crew delivers an exclusive and personalised experience. From the Captain and Cruise Director to your stateroom attendant and waiting staff, Avalon provides warm and friendly service, mouthwatering cuisine, and unmatched experiences – to deliver the perfect degree of relaxed indulgence.

"Avalon Waterways delivers an exceptional European river experience for our corporate and incentive clients. Their ships are elegant. Cuisine and service provided on board their vessels are among the best in the industry. Our clients returned happy, wishing to repeat the experience."

OH HOW **SUITE** IT IS.

EVERYONE ENJOYS THE SAME STATEROOM &
THE SAME AMAZING VIEW.

There's only one point-of-view on an Avalon Waterways river cruise — the Suite view. You won't find the challenge of who to place in what cabin when choosing Avalon Waterways. Our unique Suite Ships® feature our signature Panorama SuitesSM with the widest opening windows in river cruising and beds facing the windows for your guests to enjoy what river cruising is all about — the ever changing views. On our Suite FleetSM in Europe, almost 80% of the staterooms are 200 square foot suites and in Southeast Asia, all rooms are Panorama Suites at a spacious 245 square feet.

**AT 200 SQUARE FEET, THE PANORAMA SUITESM IS MORE THAN
30% LARGER THAN THE INDUSTRY STANDARD.**

“Our stateroom was comfortable and attractive. People felt they had ample space and they loved the balcony windows. I was impressed with the strong water pressure in the shower and the L’Occitane toiletries smell wonderful...”

OPEN-AIR BALCONYSM

WIDER OPENINGS FOR THE WIDE-EYED.

Avalon Waterways Open-Air Balconies were designed with our guests' views in mind. The wall-to-wall, floor-to-ceiling windows open 7-feet wide on our European fleet and 11-feet wide on our Southeast Asia ships... Wider than any other balconies in the industry.

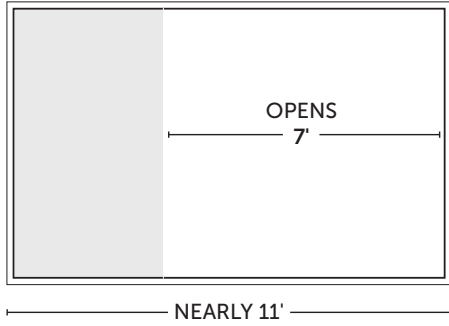

Even better? Avalon's balconies do not sacrifice room space. In contrast, they invite our guests to enjoy 100% of their Panorama Suite, 100% of the time. And they're making a splash with Avalon's guests. In fact, according to a survey of 652 past travellers, 95% would choose Avalon's Open-Air Balconies to traditional French balconies.

We're the only river cruise company that's figured out how to give our cruisers everything they want — more space, indoor/outdoor living, and huge views for miles in the comfort and privacy of their rooms.

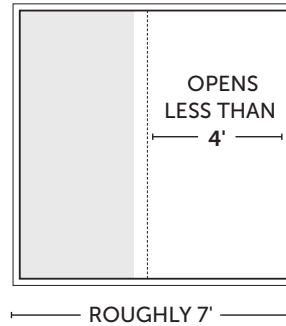

THE LARGEST STANDARD WINDOWS IN RIVER CRUISING WITH
FLOOR-TO-CEILING, WALL-TO-WALL VIEWS.

AVALON

Our giant floor-to-ceiling window is nearly 11' wide.

THE COMPETITION

Standard window is roughly 7' wide, and opens less than 4'.

WHERE AVALON SAILS

RHINE RIVER

Flowing from the Swiss Alps to Holland's North Sea, the Rhine is one of the most important rivers in Europe, perhaps most famous for its legendary Lorelei rock and the imposing medieval castles that line its banks.

MAIN RIVER

Winding across Central Germany, the Main River is formed by the joining of the Red Main and the White Main, meeting the Rhine River at the town of Mainz.

MOSELLE RIVER

Flowing through France, Luxembourg, and Germany, the Moselle River is known for the excellent wines produced along its banks as well as for its picturesque medieval castles.

SEINE RIVER

The Seine rises just northwest of Dijon and flows in a northwesterly direction through Paris before emptying into the English Channel at Le Havre. It is one of Europe's great historic rivers and since the early Middle Ages has been considered the river of Paris.

RHÔNE RIVER

An important inland trade and transportation route since Greek times, the Rhône River flows south to the Mediterranean, winding through the orchards and vineyards of the fertile Rhône Valley.

DANUBE RIVER

As Europe's second-longest river and a vital means of transportation for 2,000 years, the Danube is the only major European river to flow from west to east.

DOURO RIVER

Here, vineyards cling to steep slopes along the river where 2,000-year-old traditions of winemaking are cherished in the charming villages in one of Europe's oldest countries.

SOUTHEAST ASIA: INTIMATE CRUISING AT ITS BEST.

Avalon river cruises go beyond expectations. They go beyond the grand waterways of Europe, too, winding down the intriguing waters of the Mekong in Southeast Asia. Our incredible Suite Ship® along the Mekong River carries just 36 guests for a more exclusive experience. Gliding through narrow passageways, this intimate ship gets travellers up close to these exotic sights, cultures, and traditions, and this smaller vessel leads you to areas virtually untouched by tourists. Personalised touches abound throughout your cruise.

THE MEKONG RIVER

Pulsing through the heart of Vietnam and Cambodia, the Mekong River provides a lifeline for millions of people. Along this vibrant “Mother of Water,” scenes of everyday life will mesmerise you — from fishermen hauling in their daily catch to chanting monks to boats crisscrossing the river. Cruise the massive Mekong Delta, meet with smiling schoolchildren, see skilled silversmiths at work, and partake in a traditional water blessing ceremony with area monks. Explore French-influenced Phnom Penh, take a walking tour of Ho Chi Minh City, marvel at spectacular Angkor Wat in Siem Reap, and relish other fascinating activities.

LIGHTING THE PATH TO A BETTER TOMORROW

From our inception, Avalon Waterways has cast a light on the world's most fascinating places and people – inviting wayfarers and wanderers like you to bask in their glory, intrigue and wonder. Along the way, we've helped travellers uncover ancient traditions while meeting the locals dedicated to preserving them; to meander historic hallways while giving back to the societies that safeguard them; and to put down the guidebooks and pick up a greater understanding of the world and its people.

Immersed in enlightening experiences, we naturally gain a deeper appreciation – one that leads to greater compassion, consideration and curiosity as we ask ourselves, what else can we do to protect our planet, preserve our sacred places and help humankind?

GLOBUS FAMILY OF BRANDS LIGHTHOUSE PROJECT

Enter the Avalon Waterways® Lighthouse Project – an illuminating initiative where we can all come together to tread lightly and give generously for the globe's greater good. Avalon, along with sister companies Globus and Cosmos, invite our travellers and partners to help us in supporting causes that provide for a more sustainable planet and a brighter tomorrow.

A CLEANER PLANET IS THE BEST REWARD

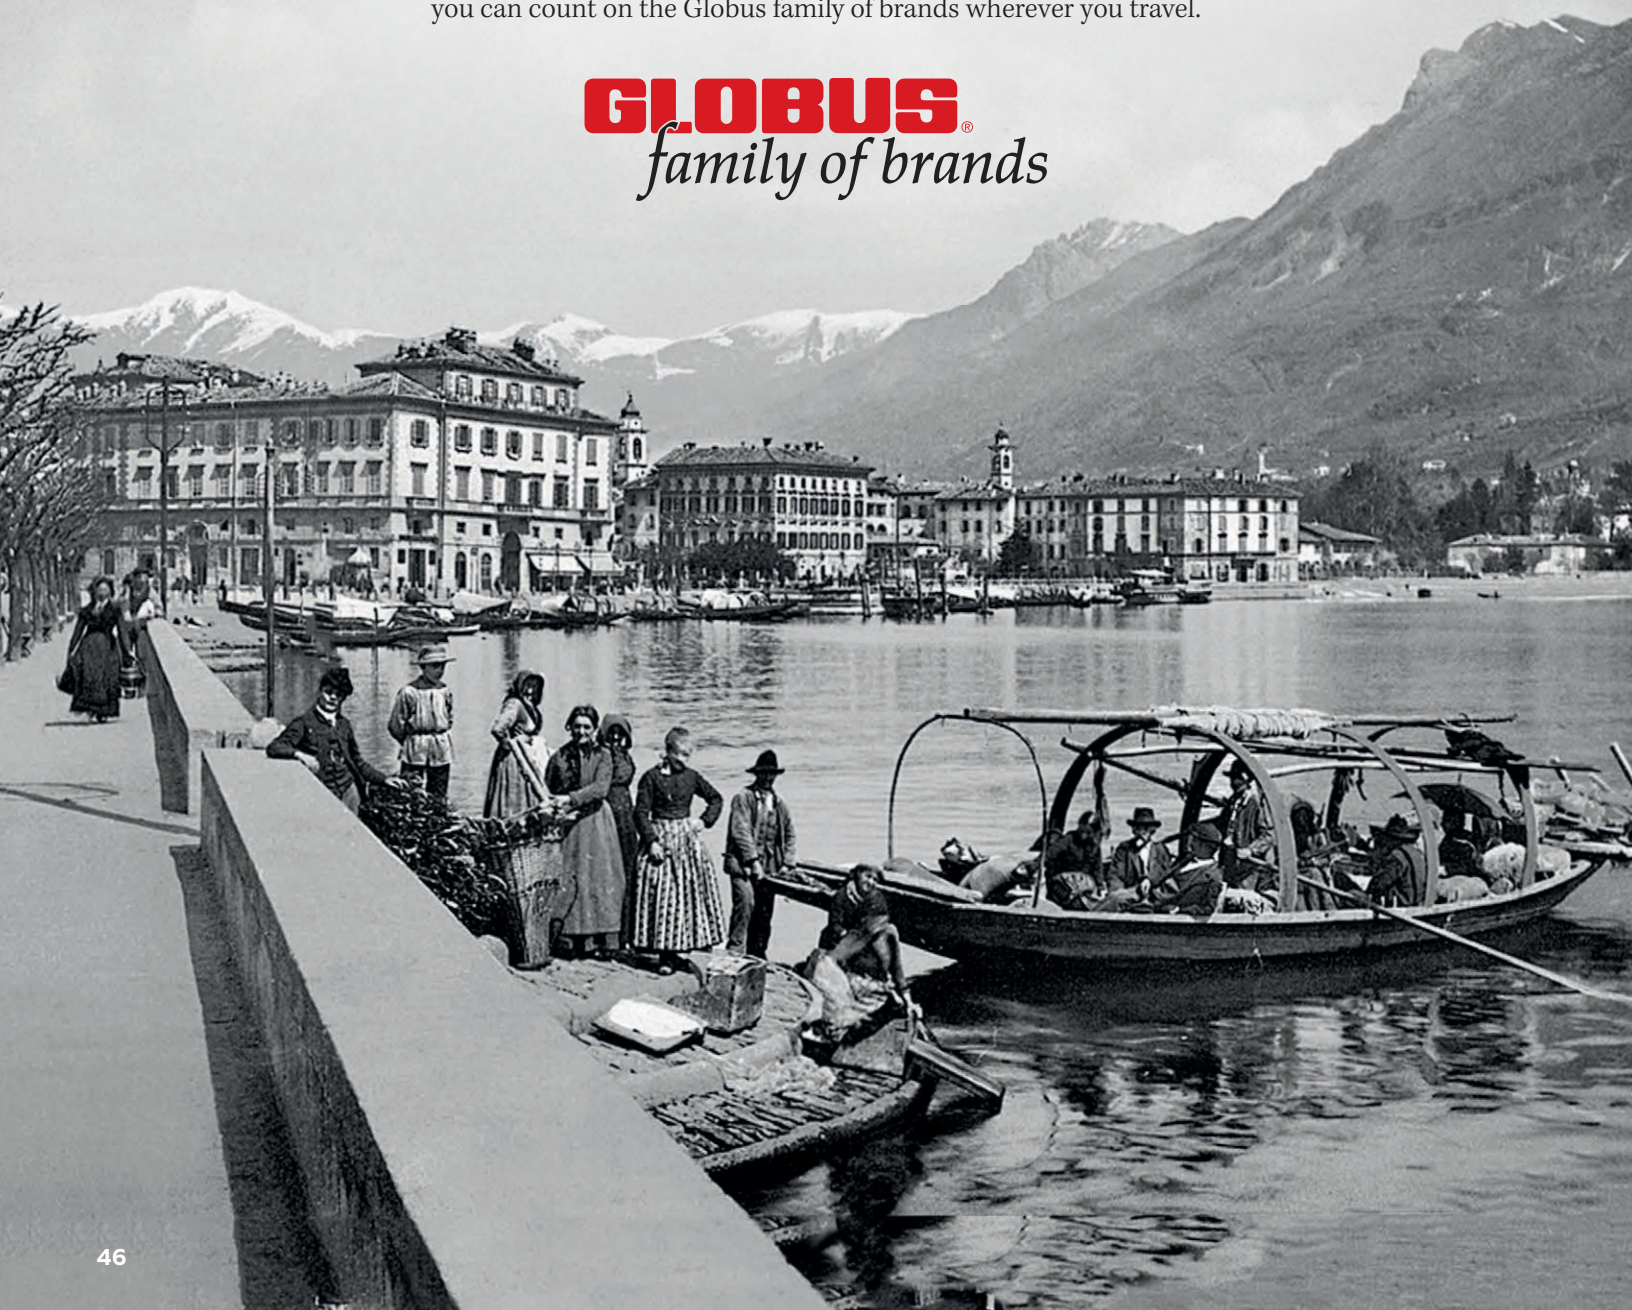

Avalon Waterways has been honored by Europe's Green Award—recognized for our Suite Ship® fleet's high safety and environmental standards. This prestigious award is given to river cruise ships based on the environmental impact of engines, fuel consumption, waste and maintenance, pollution prevention, and more.
