Avalon Waterways Named As One of the Top Cruise Lines by Cruise Critic in 15th Annual Editors' Picks Awards

DENVER, Colorado – December 6, 2023 – Cruise Critic, the world's leading cruise reviews site and online cruise community, has named the winners of its 15th annual [Cruise Critic Editors' Picks Awards](#) – the industry's most comprehensive awards – recognizing the best cruise lines of the year, as chosen by the site's international team of cruise experts.

Avalon Waterways was recognized as one of this year's best cruise lines, winning two categories:

1. Best Cabins in River Cruising

"Avalon Waterways carefully considers each element of every cabin, and it shows. The Panorama Suites are its flagship, offering queen-sized beds that enjoy serene views through the floor-to-ceiling sliding glass doors and open-air balconies. All cabins are comfortably spacious. Small touches like soundproof walls, adjustable in-cabin tables and an abundance of USB ports make every cabin feel almost like home." – *Cruise Critic Editors*

2. Best for Solo Travelers in River Cruising

"Avalon Waterways makes solo cruising not only simple and enjoyable but also highly affordable. Avalon waives the single supplement fee so solo cruisers can enjoy river cruising like anybody else. Plus, they can enjoy the roomy staterooms and suites on their own, without the need to stay in a cramped single cabin, which is customary on other lines. With several communal locations, ease of mingling and exciting excursions, solo cruisers thrive while when sailing with Avalon – without having to break the bank." – *Cruise Critic Editors*

In addition to receiving these coveted awards, chosen by Cruise Critic editors, Avalon Waterways also enjoys the highest Cruise Critic member review average (4.7) among river cruise companies.

"Since launching our very first Suite Ship, Avalon Waterways has redefined cruising," said Pam Hoffee, president of Avalon Waterways. "From waiving the single supplement for solo travelers to offering the grandest views in cruising with the industry's only Open-Air Balcony design, Avalon is changing the tides on the traditional river cruise experience. We're so grateful Cruise Critic editors – and our guests – have noticed and are celebrating the Avalon difference."
