

About Us.

TOURING. BEYOND.

The world is full of remarkable places. To see them is just to see them. To tour them is to truly experience them.

Globus delivers “wow” in the world one scene, one sight and one story at a time. From the classic tours that made us famous to new, passion-packed “choice” vacations, independent and small group tours to off-season and off-the-beaten-path journeys, your coach awaits!

Open your heart to amazing on a tour that takes you beyond the guidebooks. Beyond the ordinary. Beyond words. Don't just see the world. Tour it. This is Touring. Beyond.

Front Row Parking. Backstage Access. Rock Star Status.

The Coliseum. The Great Wall. The Pyramids. Every Globus tour includes the legendary landmarks, the major attractions and the must-sees in history. Going beyond the iconic exteriors, Globus also leads travellers to the front of the line, straight through the door and inside the walls of Europe's most awe-inspiring places. With priority access, we ensure travellers behold the sights they've long dreamed of – without getting held up for hours.

But that's not all. While it might be the iconic sights of the world that first entice travellers to pack bags for adventure, it's often something quite different that beckons them to return – the towns with no traffic, the coasts with no crowds, the nooks with no noise. Globus designs the perfect balance of the hero sights travellers shouldn't miss and the hidden gems they otherwise would, offering a deeper glimpse into the world's most intriguing destinations.

When travellers join Globus to veer off the beaten path, break away from the packs and break bread with the locals, they're in for an unparalleled vacation that they couldn't create on their own.

No Planning. Just Playing.

It's a big world out there – with dizzying options for sightseeing, transportation and accommodations. Travellers needn't spend hours trying to figure it out when we've spent nearly a century perfecting the dream vacation. With one-stop, our guests can secure an exclusive experience with all the right inclusions:

Insiders, Interpreters & Storytellers.

Beyond navigation and narration, Globus Tour Directors and Local Guides are true insiders who enlighten travellers along the journey.

Hand-Picked Hotels in the Heart of Exploration.

Among the many inclusions on a Globus vacation are the perfect places to rest – not just any hotels, but perfectly located, superior accommodations that maximize travellers' time, fun and overall experience.

No Catching Taxis, Just Your Breath.

From start-to-finish, a Globus vacation is a smooth ride. Whether aboard one of our deluxe touring motorcoaches or high-speed and mountain trains, river cruise ships or ferries, see the world from a variety of exhilarating vantage points.

Plus, it turns out that one of the most fun ways to see the world is also one of the most environmentally friendly ways to travel. Our coaches get a whopping 206.6 passenger miles per gallon and on average, are seven times more energy and fuel-efficient than single-occupancy automobiles. In fact, one spacious and comfy motorcoach can replace as many as 55 cramped passenger cars on the roads, slashing fuel usage and pollution emissions.

Don't Just See the World. Tour It!

Seven continents ... 70+ countries ... and counting ... We've spent nearly a century doing this and finding all the ways in the world to enjoy the wonders and joys of the world, including the rainforests of South America, the national parks of North America, the Outback of Australia, the savannas of Africa, the neon-lit streets of Asia and even the icebergs of Antarctica.

And, while all Globus itineraries are perfectly planned to merge people, places and memories, they're also designed to connect travellers to each destination, bridging interests and passions. With hundreds of vacations to choose from across the globe – and a vast variety of travel styles – wayfarers and wanderers can travel almost anywhere in the world with a name they can count on.
