A WORLD OF EXPERIENCES, RIGHT NEXT DOOR

Globus Invites Travelers to Find “Europe” on THIS Side of the Pond

LITTLETON, Colorado – February 16, 2022 – There’s so much to see, this side of the sea. From the sweeping views of the Gaspé Peninsula to the sparkling lakes of the Rockies; the floating icebergs of Newfoundland to famous fromageries of Charlevoix and cobblestone avenues of Québec City to sensational scenery along Carmel’s California coast. For those travelers looking for a far-from-ordinary, close-to-home getaway in 2022, Globus is offering them a world of wonder in our own backyard.

“For travelers interested in staying near ‘home sweet home’ with a backyard getaway, we’re excited to pave the road back to travel,” said Steve Born, chief marketing officer for the Globus family of brands.

“These six getaways provide travelers the postcard-perfect beauty they expect from North America with a flair of Europe they’ve been missing.”

Finding Europe in North America with Globus:

1. **California Classics** (10 days) – For those missing the windswept magic and coastal beauty of Italy’s Cinque Terre – not to mention the wine – the cute cottages, towering bluffs and quaint cafes, shops and wineries found in Carmel-by-the-Sea, along California’s Central Coast will do the trick. This vacation also delivers a taste of Scandinavia in nearby Solvang!
2. **Cape Cod & the Islands** (8 days) – If craving the French Riviera, travelers can find breezy coastal walkways, sun-lit cliffside majesty and architectural wonders from the gilded age in Newport, Rhode Island. Here, along the Northeast’s coast, they’ll find a taste of Nice inviting them to let their heart soar and soul sail.
3. **Majestic Rockies** (11 days) – While scenic Switzerland is spectacular, nothing will lift spirits like the blue skies and blue waters – not to mention, the soaring peaks – of the Canadian Rockies. Breathtaking views abound on this vacation in our own backyard!
4. **Québec in Depth with the Gaspé Peninsula** (11 days) – Follow French fantasies (and nose) to the croissant-scented, café-lined promenades of Québec City. Travelers can tune into the music-filled streets of Montréal and set their eyes to the sweeping views of the Gaspé Peninsula in French Canada.

5. **Wonders of the Maritimes & Scenic Cape Breton** (9 days) – It’s no wonder that Nova Scotia (New Scotland) is home to the largest Scottish Gaelic-speaking community outside of Scotland. With its red-and-white-striped lighthouses, salty fishing harbors and towering cliffside coasts, the rugged and wild scenery of Canada’s Maritimes mirrors its Scottish roots.
6. **Historic Cities of Eastern Canada** (9 days) – France or French Canada? No place does Europe (other than Europe) better than Québec City and Montréal. From cobblestoned streets and café-lined town squares; beautiful basilicas and awe-inspiring architecture, travelers can submerge in French culture, close to home.

For 2022, Globus and Cosmos are also making group experiences even smaller on all itineraries worldwide – including hundreds of North America departures – with [Small-Group Discovery](#) tours.

“With an average of just 24 guests per tour departure, our Small-Group Discoveries promise more room to roam while getting up-close and personal with North America’s most fascinating places,” added Born.
